Opportunities:

Events and Experiences: Fiona loves events. To get in there, and chat, take photos, and tweet away the night and about your brand. I write about most events that I attend, along with most restaurants! I'm more than happy to travel to Sydney for launches and review opportunities.

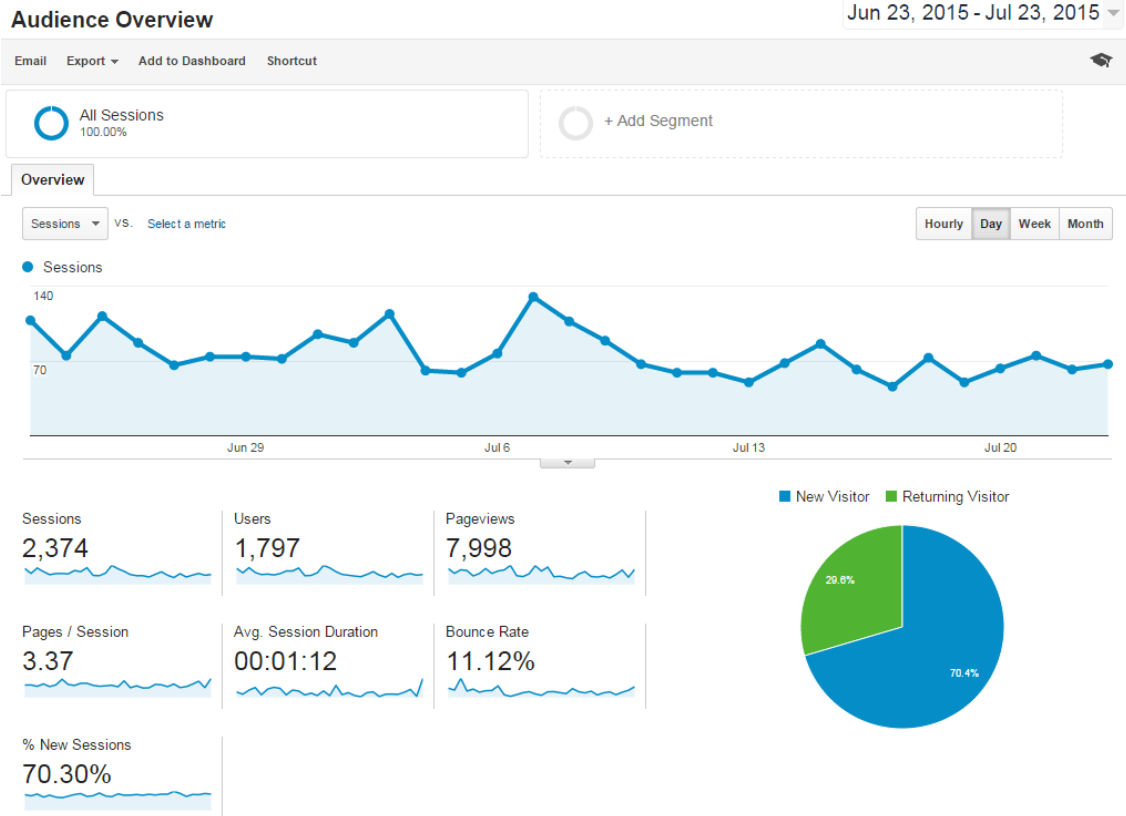

Product Reviews: I accept items for review, however I am unable to guarantee that I will write about your item.

Giveaways: Offering a giveaway of a product I have tried is an amazing way to engage my readers in the product! Try it!

Sponsored Posts: I do run sponsored posts. I still need to have control over the final wording, as, that's what you're after, right, not just a press release xx
